

Tricia Szirom has been invited to facilitate three Goddess Circles at the Bali Spirit Festival in Ubud 25-27th March 2011.

She is taking this opportunity to repeat the extremely successful Goddess Journey, which introduces women to the land where the Goddess is part of everyday life and the Divine Feminine acknowledged and worshiped.

Join Tricia for a week of spiritual and personal exploration from the 20-27th March in the inspiring Ubud and assist in bringing the spirit of the Goddess to the Festival, meet local activists and artists, visit local temples and archeological sites and share with sisters from many cultures.

Cost for the Journey: \$1300 Australian plus airfares
