

SCRYING WORKSHOP

Sunday 12th June 2011

Come on a magical journey to discover the ancient rite of Scrying. Scrying is the art of gazing upon reflective surfaces allowing the inner psychic eyes to see through the mist and receive visions or information.

Through the process of ritual, meditation and observation you will be guided through the various techniques of Scrying.

Janine Donnellan from Spheres of Light and SOuL Searchers will be the facilitator of this workshop.

You will need to bring a Scrying Mirror or a Quartz Crystal Ball to this workshop. If you don't have any, these items can be ordered and purchased in advance through Embrace.
