East

Oh Mighty Maat – Venus of the East
You who balances the souls of all beings
Who, weighed with the heart, reveals all things.
You stand before the great power of justice
As knowledge, will and action
Through the clarity of our minds May the balance be done
Welcome

North

May the fire of the Sun warm our hearts

West

O Mighty Hathor – Venus of the West
Eye of Ra, Safe keep us with your prowess
Manifest Sacred One, to be our Guardian and Guide

Teach us to be both humble and shine with
your righteous pride
Grant us lustrous all-encompassing beauty
and grace
Hail Goddess of Love! May you bask in
adoration now and forever
Welcome

South

May the Earth's inner core warm our souls

AMUN RA

I am called AMUN RA, yet every name is my name.
I am that which proceeds from the unknowable
unto the unknowable, and between these am I
all that might be known.
That which was, and is, and is to come;
limitless, boundless and immortal-
Omniscient, omnipresent and ineffable; I am
all, the life of God and Humankind
All that hath form: This is a shadow of my
form.
All that hath awareness: This is a fraction of
my awareness.
All that bear with themselves the fire of life:
These are the sparks of my undying fire.
All that might be named: These things have
my name.
ALL - GREAT GOD AMUN RA COME TO US
NOW LET US BASK IN YOUR WARMTH
Welcome
