At this Full Moon Circle where we will be taking advantage of this powerful numerological vibration of creation, wisdom, and spiritual evolution. We will also be tapping into the creative energies of the Dragon Goddess Tiamat, a Chaos Dragon and primordial goddess of the ocean.

The 11:11:11 Gateway is a collective, high-vibrational portal opening to assist the evolution of consciousness on the earth at this time. 11 is one of the master numbers and is related to spirituality, illumination, and a balancing of opposites.

You will find Tiamat's story in the Babylonian epic, the Enuma Elish. From the beginning, Tiamat was there. All was perfect stillness, perfect silence. Then Tiamat commingled with Apsu, and creation came into being. She is the salt water, and Apsu is the sweet water. Apsu, though Her husband, was alien to Tiamat to some degree, different. Their mixing spawned many new created beings, unlocking an

unstoppable chain of events that would lead to Tiamat's fall.

When the sky above was not named, [in the beginning]
And the earth beneath did not yet bear a name,
And the primeval Apsû, who begat them, [god]
And chaos, Tiamat, the mother of them both, [heaven earth]
Their waters were mingled together,
And no field was formed, no marsh was to be seen; [form and void]
When of the gods none had been called into being.
