

## **Lughnasadh ~ Full Moon in Leo**

### **10th February 2017**

The celebration of Lughnasadh is time to pause, open yourself to the change of the Season so that you may be one with its energies. This is the time of the first harvest, to enjoy the fruits of your labour. This is a time to consider whether your result has equalled your efforts. The ideals of Leo and Aquarius come into their fullest expression at the Full Moon. As an individual, how fully are you expressing your life purpose?
