

Mabon ~ Full Moon in Virgo **10th March 2017**

On this night we will be connecting to the energy of the Virgo Full Moon and the Horned God as he prepares for his death as Winter looms. Traditionally, the annual Virgo Full Moon opposite the Pisces Sun is a time to reflect upon the balance of energies between such qualities as service and compassion, craft and inspiration, analysis and intuition. The cooler days remind us that the Autumn Equinox is only days away and it is a time for thanksgiving and celebration of harvest abundance, of hearth, home, and family.

THE HORNED GOD - DEATH INVOCATION

(Osiris pose)

Horned God
You are the deer in rut
Mighty horned one
Who roams the Autumn woods
The hunter circling round the oak
The antlers of the wild stag
And the lifeblood that spills upon the ground each season.
God of the wilderness, Lord of the forest

ALL: I give myself to you as a sacrifice

Dance & music: starting fast then slowing down, then stop.

The hunter circling round the oak
The antlers of the wild stag
And the lifeblood that liberates my spirit, igniting my passion.
God of the hunt, Lord of the forest,

ALL: I give myself to you to be reborn

Dance & music: starting slow then quickening, then stop and ground.
