

Full Moon in Scorpio - Buddha Full Moon

Ritual written and led by Janine Donnellan
(May 8, 2009)*

This powerful Full Moon, is called the Buddha Full Moon or Wesak Full Moon. Wesak is the valley below Mount Kalaish in Tibet that is the Crown Chakra of Earth. Every year at this Full Moon the Masters, Holy people, Swamis, Sadhus etc make a pilgrimage to this valley where all the Masters and non physical Divine Beings meet together for the shift in consciousness for humanity and to anchor the higher energies onto the Earth Plane. It is also the time Buddha's birthday is celebrated.

Tonight we will be tapping into the energy of this highly charged festival. We will be journeying to the Wesak Valley to join those beautiful beings and we will open ourselves to the transcendental meditation, anchoring our souls into the divine light on Earth.

Guardians of the Four Directions

The Guardians of the Four Directions are the deities who rule the specific directions of space. They ward off evil. Each represents a direction, season, color, and element. Each dwells in and protects one of the four continents surrounding Mt. Meru (home to the Historical Buddha and other deities).
