

# *Spheres Of Light*

**Full Moon Circle — 22nd February 2019**

**Eurynome & Ophion**

**Full Moon in Virgo (20/02/2019 2:53am)**

This super moon is the biggest and brightest full moon of the year! You can use this change in vibration to your advantage and bring about some positive change to your life. The moon is in the first degree of Virgo. This brings about a very active, free, enthusiastic, and selfless type of energy.

As such, all of the selfless and adventurous vibrations associated with Virgo will be brought to the forefront and this creates a lively burst of energy. If you harness the super moon shift and embrace it in a positive light, then good changes will come your way!

## **The Myth**

When Eurynome, the Goddess of All Things, the Creator, the Ruler and Mother of all things emerged from Chaos she didn't have a solid place to set her foot on because the sky and sea were one entity. So, she separated the sea and sky and started dancing naked on the waves. As time went by, she started feeling cold, so she started dancing faster. As she was dancing so fast that a wind started to form around her. She was fascinated by the new element and rubbed it between her hands, and created a serpent.

This serpent was Ophion, and as he watched Eurynome dancing he was filled with lust. He wrapped himself around the Goddess seven times and made love to her while she was dancing.

After Eurynome was impregnated by Ophion, she stopped dancing, and transformed into a dove. As a dove she laid the Cosmic Egg and Ophion then wrapped around the Egg seven times. This Egg hatched and brought forth everything in the cosmos. Then Eurynome finally tired from all the dancing ascended to Mount Olympus, and Ophion followed her and started living with her as her consort.

## **Eurynome and Ophion Meditation**

Start the meditation by opening your chakras and anchoring yourself deep into the earth. Now close your eyes and visualise that you are standing darkness. It is so dark that you cannot see yourself. You have become absorbed by the darkness.

You feel yourself move deeper and deeper into the darkness. You realise that you are moving through time and space back to the beginning. In the beginning there was nothing but a vast, dark void called Chaos. You feel the vibration of chaos within in you. You feel yourself being pulled in all directions. You feel that you are being tossed on the crest of a giant wave. It sparks within you a memory, a memory of the beginning of the cosmos.

You feel the force of the goddess now within you, she is a gigantic, strong and powerful, she is the epitome of your fear of what lies within, she is your shadow and she is the spark of creation.

See this goddess rising up before you. You feel her strength, her incredible power. She is Eurynome and she is giving birth to an egg, and egg of infinite potential. She speaks to you what is it that you want to create, what is your true potential that needs to be birth.

You start to experience a tightening around your body and you become aware of the primal serpent called Ophion coiling around your body. The red serpent coils around you seven times. Each time you feel his coils tightening you feel your potential you can sense this concept birthing within you. As the red serpent coils within you, you feel the energy rise up through the spine, purifying you, allowing a clear internal pathway to birth your potential.

Spend sometime in contemplation, what is your potential is and what do you want to create in your life.

You are now one with the creator goddess Eurynome and the serpent Ophion, you can now harness this creative power and now be able to birth your hopes and dreams. You are now beginning a journey to the divine truth, raising the light of consciousness through the depths of our darkest being. You now feel yourself being pulled back from the void, moving through time and space you are back within the circle, back within our body and then slowly closing down our chakras. When you are ready you can wriggle your fingers and toes and open your eyes.

## Chant to raise power for the birth of your egg
