

IMMANENT ORDER, UNIVERSAL TRANSCENDENCE

(Ritual written by Gnyneira Morgana)

INTENT

As we move towards the Pisces/Aquarius Full Moon, we connect the principles of healing, order, and analysis, allowing these to open us to an experience of universalism, the spiritual, our higher selves.

This month then we seek to bring a sense of order to our lunar, or inner selves. We seek to perceive it through the vehicles of our senses.

Via the senses as they manifest through the elements, ideally we will see what we really believe about ourselves, how we really perceive ourselves and who we really are beneath the various layers of enculturation.

Through this order, we will then allow ourselves to not only move to the centre of the circle, but to move to our own centre, where we will hear not simply the voice of our inner self, but our transcended self.

This process will differ for each. For some, an experience may be immediately apparent, for others it may flow in the days, weeks and months that follow, however it works for you, it is my heartfelt desire and intent to share an experience of :

IMMANENT ORDER,
&
UNIVERSAL TRANSCENDENCE

CIRCLE CASTING

After smudging, each person enters the circle, finding a place that is comfortable.

After grounding and centering, the salt, water, incense and candle are blessed by those who are calling the corresponding quarters.

After then all has been blessed, the circle is cast first with incense, and then with salt water.

Then all together honour this land in song...

SONG

Gundrah A oo noo Nungeenah tya

Gundrah Lah oo oo noo
Yahma koora, yahma koora
Nungeena tya
Yahma koora

QUARTER CALLS

EAST

Great Spirit of the East,
Ruler of the waters of this land
That carries taste within all moisture
Bring to us those flavours
That can through our sense of taste
Bridge the worlds of the seen and the unseen.
Guide us, protect us,
We thank you, honour you and welcome you
So Mote it Be

NORTH

Great Spirit of the North,
Ruler of the earth of this land
That bring sensations through your earthy
substance,
Touch us,
That through our ability to feel
May be bridged the worlds of the seen and the
unseen.
Guide us, protect us,
We thank you, honour you and welcome you
So Mote it Be

WEST

Great Spirit of the West,
Ruler of the fires in this land,
That carry vision within your light,
Bring to us those images
That can through our sense of sight
Bridge the worlds of the seen and the unseen.
Guide us, protect us
We thank you, honour you and welcome you
So Mote it Be

SOUTH

Great Spirit of the South,
Ruler of the air of this land,
That carry scent upon the winds,
Bring to us those aromas
That can through our sense of smell
Bridge the worlds of the seen and the
unseen.
Guide us, protect us,
We thank you, honour you and welcome you
So Mote it Be

SONG

I AM THE EARTH

I am the earth moving under all
I am the air flowing over all
I am the fire in the heart and in the soul
I am the ocean of love.

INVOCATIONS

GODDESS

Mighty Fire that dwells within all creation,
That some call Shakti,
Sacred serpent of cosmic power,
That nourishes all consciousness,
Erotic Lover, Most Beloved,
we call for you,
And Welcome you.
So Mote It Be

GOD

Sacred Light of Consciousness
That some call Shiva,
Mighty being of illumination
That inspires all life,
Creator, Destroyer, we call for you,
And Welcome you,
So Mote It Be

SONG

WE ALL COME FROM THE
GODDESS

Isis, Astarte, Diana, Hecate, Demeter, Shakti,
Innanna

We all come from the Goddess
And to her we shall return
Like a drop of rain
Flowing to the ocean....

Mithras, Osiris, Cernunnos, Hanuman, Apollo,
Odin, Shiva

We all come from the Sun God
And to him we return
Like a spark of flame
Rising to the heavens

WORKING

Moving from one quarter to the next, seek at each point an experience of who you are through the element relevant to that quarter - taste in the west, are you bitter or sweet, complex or plain?

In the North what do you feel like? Strong, weak, crumbly, stiff? In the West, what do you look like, (in your minds eye), are you beautiful or ugly, human or otherwise? Finally, in the South, what do you smell like, maybe a particular incense, or even the earth itself.

Through this, bring order to your sense of self as you journey to the centre.

SONG

AT THE CORE

Spiraling, turning to the Center,
Questioning the essence of our lives.
Who we are -- who weâ€™ll be tomorrow?
At the Core, we'll discover all we

Once all reach the centre, the following can be used to open each of us to the energies of Shiva and Shakti - empowered consciousness, this ideally allowing each of us to hear the voice of our true selves.

SONG

SHAKTI /SHIVA

Kundalini Shakti, Kundalini Shakti, Kundalini
Shakti, rise in me.

Kundalini Shakti, Kundalini Shakti, Kundalini
Shakti, rise in me.

Om namah Shiva

Om namah Shiva

Once as much energy as you are comfortable to move has moved, then simply maintain that space in silence for a few moments.

CLOSING

GOD

Mighty Shiva,
we thank you for your
blessings and power,
Hail & Farewell

GODDESS

Beautiful Shakti,
we thank you for your
freedom and grace,
Hail & Farewell

SOUTH

Great Spirit of the South,
Ruler of Air in this land,
We thank you for guiding and
guarding us,
Hail & Farewell.

WEST

Great Spirit of the West,
Ruler of fire in this land,
We thank you for guiding and
guarding us,
Hail & Farewell.

May the Circle be open, but unbroken,
May the peace of the Goddess be ever in our
hearts.
Merry meet, Merry part & Merry meet again.
