

CELEBRATION

(Ritual written by Gwyneira Morgana)

INTENT

*This Full Moon we stand at the dawn of
Beltane - the celebration that honours
fertility, growth, the time of the BIG SUN.
At this time we allow the
fullness of life to flow through our being,
grounding into the Earth plane the bounty,
beauty and full ness of spirit.
Our intent is then simple, to simply enjoy, to
celebrate, to make merry, and in doing so
draw blessings into our own lives, the lives of
our
Families, the circle, our
community country and world.*

CIRCLE CASTING

*After smudging, each person enters circle,
walking deosil, singing:*

Hey ho circle glow, guard this hearth, this
home, this land
Hey ho circle glow, bring us peace and health
and heart
Hey ho circle glow, speed our love our strength
our power,
Hey ho circle glow, grant our dreams our wish
tonight

And then honour this land in song...

Song
Gundrah A oo noo Nungeenah tya
Gundrah Lah oo oo noo
Yahma koora, yahma koora
Nungeena tya
Yahma koora

INVOCATIONS

MANAWYDDAN

Manawyddan we call to thee,
To cross over to our circle and set your sails
free.
To part the veil that is between the Otherworld
and ours,
so that we may commune with the old ones,
many
blessings there shall be.
Manawyddan we call to thee,
you are brother to Bran and Branwen,
father of Pryderi, and love to Rhiannon,
bring them across the seas,
so that we may commune with the Shining
Ones many blessings there shall be.

RHIANNON

Ride forth from your faery mound
Rhiannon, heed our call
Bring to us your fertile magick
From your bounteous hall
(x3)

BEL

And as we gather tonight to celebrate the
immanent dawn of the Summer - the feast of
Beltane,
we call upon the spirit of the Sun - The Spirit
of Bel
to infuse us with Light & Love & Power this
night.
We Welcome you
So Mote It Be

WORKING

*This night our working is simple, to sing, to
celebrate, and by doing so ground the spirit of
light and joy and fertility into this earth. As we
do so, all may feel free to either write wishes
for ourselves, our families, the circle, our
community, country and/or world and release
it into the fire, or to jump over the fire,
releasing their wish as they do so.*

SONGS

SWEET SURRENDER

We are opening up in sweet surrender
To the luminous love light of the One
We are opening, we are opening

FIRE OF CREATION

It starts very quietly
It starts with a spark
It starts in the centre
It starts in the heart
Fire of creation
Fire of purification
Fire of transformation
Fire of illumination

I AM THE FIRE

I am the fire and the union of opposites.
I am the mystery.
I am calling you in your dreams.
I am bringing you home to me.
A simple fire of flaming hearts

BURN FIRE

Burn fire, burn within me
kindled from eternal fire,
All the people that I see,
All the people part of me
One flame, many parts
A simple fire of flaming hearts
