

WORKING THE VOID

Ritual written and led by Gwyneira Morgana
(Southern Highlands Circle - June 2005)*

INTENT

This month we are working with the Pisces/Virgo polarity. This polarity describes to us the process of connecting with the eternal that we may create order, health and daily comfort in our lives. This being focussed in the sectors of group work and creativity, we will utilise these energies to go into that eternal energy as a group, and as a group experience the creation of a thought form.

This is a powerful method of creation, but please note, it must NEVER be used to directly influence the will of another, trust me, you will only hurt yourself if you try...

Other than that, this method can be used to create prosperity, love, health, when thought forms are shaped as symbols that correlate with the intent. This month then, our intent is...

TO BEGIN TO LEARN THE ART OF MANIFESTATION FROM THE VOID

CIRCLE CASTING

After smudging, each person enters the circle, finding a place that is comfortable. After grounding and centering, the salt, water, incense and candle are blessed by those who are calling the corresponding quarters. After then all has been blessed, the circle is cast first with incense, and then with salt water. Then all together honour this land in song...

Song

Gundrah A oo noo Nungeenah tya
Gundrah Lah oo oo noo
Yahma koora, yahma koora
Nungeena tya
Yahma koora

INVOCATION

CHAOS

Mighty Chaos,
Eternal void,
Ground of all being,
I offer myself,
That your eternal being may rise up within me,
And allow us to create.
We Welcome You
So Mote It Be

EROS

Ancient Eros,
Prime mover,
Essence of all desire,
Focussed towards creation.
Manifest yourself within me,
That your power may lead me from the void,
And allow us to create.
We Welcome You,
So Mote IT Be

WORKING

All hold hands and dance in a circle... moving in and out intermittently while music plays - thus raising energy. Once energy has been raised Caroline will move to the centre, focus the energy of Chaos and Eros within herself, and then invite all to send the energy raised towards her. This will be formed into a thought form, and then passed around the circle, giving each the opportunity to feel its reality. It will then be placed into an appropriate carrier that all can share (such as bread). Once all have experienced the thoughtform, a period of sharing will allow all to see the similarities and differences in experiences, impressions and intuitions. Once all have shared in this way, Caroline will reveal the form, its meaning, and hand around the bread for all to share as they desire.

CLOSING

Mighty Chaos,
We thank you for your presence and power...
Hail and Farewell

Mighty Eros,
We thank you for your presence and power...
Hail and Farewell

Mighty Spirits of Air,

Mighty Spirits of Fire,
We thank you for your presence and power...
Hail and Farewell

Mighty Spirits of Earth,
We thank you for your presence and power...
Hail and Farewell

Mighty Spirits of Water,
We thank you for your presence and power...

May this circle be open but unbroken
May the peace of the Goddess be ever in our hearts.
Merry Meet and Merry Part
And Merry Meet again.
