## Full Moon in Aries ~ 22nd October 2021

### Full Moon in Aries (21/10/21 1:56am)

Fire sign Aries, symbolized by the Ram, is ruled by Mars, the dynamic planet of energy, action, aggression, and sex. The sign also serves as the ruler of the first house of self, appearance, personality, approach to life, and early childhood. So it's no surprise that Aries are known for being extremely driven, speedy, direct, bold, impulsive, and almost childlike in terms of being innocent or playful. Aries is also a cardinal sign, best known for big-picture thinking and project initiation.

Aries full moons tend to fuel your inner go-getter with assertive, impulsive energy — which, when taken a bit too far, can result in arguments, anger, or aggression. After all, the combination of an already dramatic, emotional full moon and a passionate, driven, competitive sign like Aries can be volatile.

Aries is the sign of initiating and generating the fires of life through its rulership over the head. Aries give the courage and initiative needed to find the ~ I AM ~ within. Through the sign of spring, the bursting forth of life into being is achieved as the impregnating processes of all nature come under its primary domain.

This Full Moon circle will be about bringing in new fire, new beginnings. We will be using the Aries fire to generate a new fire for SOL. We will cleanse and rid ourselves of the old negative energies and initiate a new fire, a new energy that represents the new SOL for 2022.

**Watcher** — Shamsiel, Shamshel, Shashiel or Shamshiel, was the 16th Watcher of the 20 leaders of the 200 fallen angels that are mentioned in the Book of Enoch. The name means "sun of God" which is fitting since it has been said that Shamsiel taught men the signs of the sun during the days of Jared or Yered. Shamash (the Babylonian sun god) may share some mythological basis with Shamsiel.

**Spell work** – Bring in the new energy for SOL. Each person will have a candle that represents the power of the sun, you can place it outside during the day to absorb the energy of the sun. You can inscribe the candle with your intent and anoint it with oil. **Fire aromathapy oils are:** Basil, Bay, Bergamot, Cedar, Cinnamon, Dragon's Blood, Frankincense, Fennel, Ginger, Garlic, Geranium, Hyssop, Juniper, Lime, Mandarin, Nutmeg, Orange, Oregano, Pepper, Rosemary, Rue, Sandalwood, St. John's Wort, Saffron, Tangerine, Turmeric, Vetiver, Wormwood, Ylang-Ylang.

Have a cauldron or a metal pan. Inside include paper with the intent for SOL. We will pass the energy of this new fire energetically while we are chanting a fire chant to add power to the spell.

## The Ritual

## **Sun Candle Meditation**

We begin this meditation with drawing the fire in the core of the earth up through your root chakra, then up through your sacral chakra and then up to the Solar Plexus, the "I am", the power of our core, the power of our radiance. It is from the solar plexus the power is raised within us. Take a deep breath in, breathe deeply into your core. Hold the sacred power that is in you, the seat of your soul. Now release. Release your stress and anxiety from your body. Release all doubt and fear.

Feel your core power rising within you, feel the fire igniting your energy and feel your vibration rising to new levels until you feel your whole being is shining a new bright radiance. As you are sitting in your chair you see a swirling vortex before you. You see yourself stepping into the centre of the vortex and the energy of the vortex is now taking you to an unknown destination.

As you travel through the vortex you feel your body becoming a bright beam of light, in the distance you can see a bright fiery glow before you. The glow becomes brighter as the energy in the vortex begins to

slow until it gradually stops. An illuminated being is standing waiting for you. He is the Watcher Shamshiel, the Sun of God, he tells you not to worry, you are in a safe place.

He directs you to a tower that contains many storeys. As you walk through the large wooden doors you see thousands of lighted candles placed around the walls and going up the stairs. What new fire would you like to bring into your life? Shamshiel asks. Think carefully? Before you can proceed you must rid yourself of all the unwanted and negative energies. Shamshiel directs you to stand over a large metal grate. As you stand on this grate you feel all the negative and unwanted energy drain completely away. When you step off the grate you suddenly feel lighter and a stronger.

Shamshiel invites you to walk up through the various storeys until you find a space that resonates with your desire. He hands you an unlit candle and when you find that space, light the candle from one of the candles, meditate for a while and while holding the candle state your intent. When you have voiced your intent place your candle with the others. The power of the candles will add power to your intent. When you have added the candle to the others, keep walking up to the top of the Tower and embrace the morning Sun, feel its energy impregnating you filling you with energy and solar power. When you feel totally energised you can walk back down the stairs to the entrance of the tower.

You are now at the door and Shamshiel is waiting for you. Shamshiel now blesses you with an oil on your third eye and whispers some message to you.

It is now time to return, thank Shamshiel for his wise words of advice. He accompanies you to the vortex and as you walk through the centre you feel the energy taking you fully back into your body. Take note of all that you have experienced and when you are ready, wriggling your fingers and toes and opening your eyes.

## **Spellwork**

Light your previously prepared Sun candle then say the following chant 3 times over the candle, then allow the candle to burn for as long as desired.
